

BRAVO
HOT

Boiling | **Chilling** | **Instantly**

Stylish design from Italy

BRAVO HOT is an instant water boiling system that fills 320 cups of 98°C hot water per hour. Extra hot water is always readily available and a 250ml cup can be filled in merely 5 seconds! For Bravo Hot, cold water can be dispensed at a rate of 15 litres per hour or 3 litres of continuously output. For Bravo Hot+, cold water can be dispensed at a rate of 55 litres per hour or 12 litres of continuously output.

Tap

Italian designed chrome-plated tap with thermally isolated body and touch control panel. Safety hot control to safeguard users while dispensing hot water.

Technology

Safety is first priority. Hot water tank is designed to be open. Any steam generated is channelled through the drain conduit.

Installation

An appropriate template facilitates installation operations. The tap can be mounted near the sink or on any supporting top together with drip tray.

Control Panel

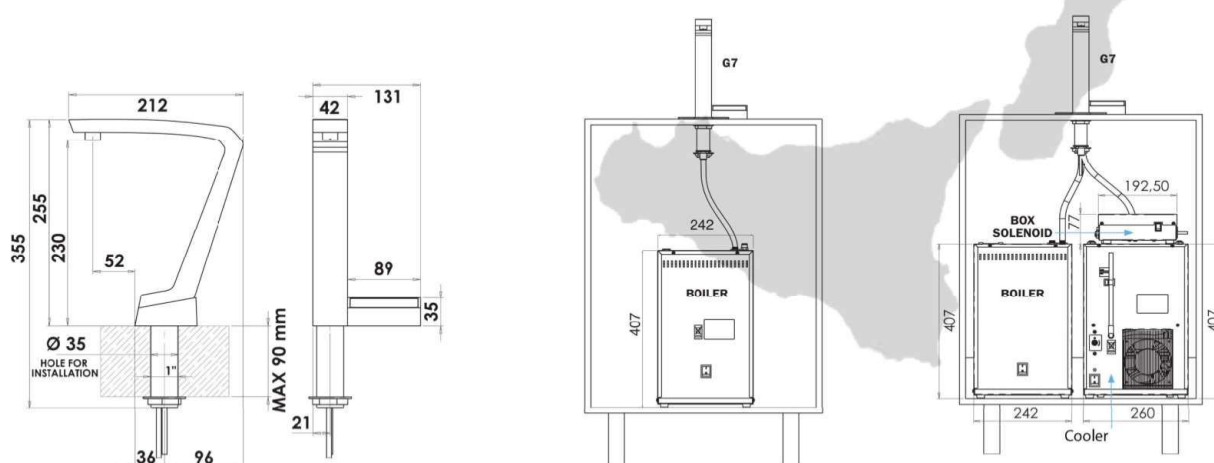

Coupled with elegant and modern design touch panel. The control panel shows the boiler's operating status i.e. ready, heating and off.

Energy Saving

The energy saving function will be activated automatically after two hours of non-use by lowering the temperature of the water inside the tank down to 65°C. And the boiler will be switched off automatically after a further hour of non-use.

Limescale Removal

A complete and high speed washing cycle is designed to clear all the limescale that may exist inside the water tank.

Specification Sheet

BRAVO HOT

Boiling | **Chilling** | **Instantly**

| Model | Litre/Hr (Boiled) | Litre/Hr (Chilled) | Performance | Rating (W) | Voltage | Dimensions W x D x H(mm) |
|---------------|----------------------|-----------------------|---------------------------|---------------|-----------|-----------------------------|
| Bravo Hot | 55 | - | 320 cups at 98°C | 2600 | 220V/240V | 242 x 315 x 407 |
| | - | 15 | 3 Litres Continuously | 155 | 220V/240V | 260 x 235 x 407 |
| Bravo Hot+ | 55 | - | 320 cups at 98°C | 2600 | 220V/240V | 242 x 315 x 407 |
| | - | 55 | 12 Litres Continuously | 300 | 220V/240V | 255 x 400 x 400 |

*Tazza cup 167ml

“BRAVO HOT” allows you to have boiling water instantly. You can now make tea, coffee and other hot drinks in a few seconds!

Save the environment. Say NO to bottled water.
